MENUS AND PRICES

In finalising the plans for your wedding such as choosing menus, etc, our dedicated and experienced staff are always available to give you help and advice and on the day, one of our managers will be assigned solely to looking after you and your guests.

The menu you choose determines the price of your wedding. Enclosed in this booklet is a selection of menus of varying prices, from which you can choose the one that suits you best. If, however, you do not see a menu you would like, we have also listed the appetisers, soups, main courses and desserts, all individually priced, for you to pick and choose a menu suitable to you and at your desired price.

If you would like a choice menu, whether just on one course, or all the way through, it should be noted that this does slow the service to a small extent and extra food that needs to be prepared and the extra staff required for service. To calculate the cost of your choice menu, select the choice with the higher cost of your choice menu, select the choice with the higher cost as your base price and add the following supplements: Appetiser or Dessert - €4.50 and Main Course - €6.95.

I do hope this information will be helpful to you in deciding the finer details of your special day, but if you have any queries or special requests, we will be only too happy to help, so please do not hesitate to give us a call.

As well as securing the function room for the most important day of your life, it is important that you secure accommodation, if required, for your family and friends.

In order to do this, please contact myself or one of my colleagues in the Reservations office and we will be delighted to assist with your accommodation requirements. If you prefer you can meet with us in person to discuss your requirements.

We would be delighted to accept a block booking for the night of your wedding. Or why not take exclusive use of our accommodation for the weekend (2 nights at a special discounted rate). We would gladly make an allocation of rooms for you at the reduced wedding rate, however we would insist that each individual booking taken from the allocation is confirmed to us in writing. If our return confirmation is not received, we would ask that you contact us to avoid unnecessary confusion about rooms.
